

LIVE 220A - LIVE 280A - LIVE 350A - LIVE 550A - LIVE 900A

Live series active speakers are superb performers in a wide variety of performance environments and offer superb high definition sound in compact road ready cabinet designs. The Live 220A is a superbly compact cabinet whilst the Live 900A offers huge

output and performance that is exceptional in every department. All Live models feature the unique adaptive "Physiocon" processor that enhances low end output and performance at the flick of a switch. All Live series models come in the highly durable Moquette finish

Live 220A

Frequency response 40Hz-20kHz
Sensitivity (1W-1m) 95 db
SPL max 120 db
Crossover Electronic -24db/octave
System-format 2-way Bi-amp
Woofer 8"
Horn 1"
Max Power Out 150+70 W RMS
Connections XLR (Line In) + XLR (Line Out)
Controls Volume (line) + Ground Lift Switch
Physiocon Switch
Box Two-way bass reflex
Construction Plywood
Weight Kg 14
Dimensions (WxDxH) 27x36x39 cm

Live 550A

Frequency response 40Hz-20KHz
Sensitivity (1W-1m) 100db
SPL max 127db
Crossover Electronic -18db/octave
System-format 2-way Bi-amp
Woofer 15"
Horn 1,5"
Max Power Out 450+100 W RMS
Connections XLR (Line In) + XLR (Line Out)
Controls Volume (line) + Ground Lift Switch
Physiocon Switch
Box Two-way bass reflex
Construction Plywood
Weight Kg 35
Dimensions (WxDxH) 46x47x68 cm

Live 280A

Frequency response 40Hz-20kHz
Sensitivity (1W-1m) 99 db
SPL max 123 db
Crossover Electronic -18db/octave
System-format 2-way Bi-amp
Woofer 10"
Horn 1"
Max Power Out 220+80 W RMS
Connections XLR (Line In) + XLR (Line Out)
Controls Volume (line) + Ground Lift Switch
Physiocon Switch
Box Two-way bass reflex
Construction Plywood
Weight Kg 20
Dimensions (WxDxH) 33x41x49 cm

Live 900A

Frequency response 40Hz-20KHz
Sensitivity (1W-1m) 101db
SPL max 130db
Crossover Electronic -18db/octave
System-format 2-way Bi-amp
Woofer 15"
Horn 3"
Max Power Out 700+200 W RMS ICE power®
Connections XLR (Line In) + XLR (Line Out)
Controls Volume (line) + Ground Lift Switch
Physiocon Switch
Box Two-way bass reflex
Construction Plywood
Weight Kg 40
Dimensions (WxDxH) 46x47x75 cm
Flyng catch 4 points
